## Exclusive Concierge Plans

Exclusive Concierge Plans is a unique therapeutic relationship that allows you greater flexibility in scheduling and more intensive services. This includes access to a limited suite of professional services in various settings and modalities, including on-site treatment options, between-session communications and follow-up, in-depth processing sessions, workplace adjustment, performance-optimization services, executive coaching, amateur and professional athletic performance and lifestyle adjustment, and relationship enrichment services. We only maintain a limited number of Exclusive Concierge Plans at a given time, and there is often a wait for these services to be open. Not all providers offer concierge options. These services cannot be billed to medical insurance. Plans are as follows:

Concierge Plans	
Plan Options	Psychologist Fee
Up to 4 hours of services per month	\$1300/month
Up to 8 hours of services per month	\$2600/month
Up to 12 hours of services per month	\$3900/month

You can schedule concierge services based on 1-month, 3-month (5% discount), or 6-month (10% discount) contracts. In addition, you may discuss with our office options for customized plans that would meet the unique needs of your schedule. Should hours exceed the set limit, services are billed at \$350 for each additional hour for psychologists and \$300 for each extra hour for therapists.
